

Application fees for active substances in biocidal products. *Apply from 9th August 2016*

Please note that this is not a legally binding document. The fees are regulated in the Ordinance (2013:63) on Pesticide Fees, last updated on 9th August 2016. Only the Ordinance 2013:63 is legally binding.

Active substances: Chemical or biological (containing microorganisms)						
Category of application	Type of substance	Type of application	Swedish Ordinance 2013:63	Basic fee one product type (SEK)	Every additional product type (SEK)	Remarks
Application for active substance approval or renewal	Chemical substance	1. Joint application by several companies	Chapt. 7 Section 2.1 and 2b 1	5 700 000	1 200 000	The fees have to be paid on application or at a later point in time as decided by the Swedish Chemicals Agency after agreement with the applicant. The fees are maximum fees. The final fees will be determined on finalisation of the evaluation and they are based on the real costs for the evaluation. If the costs of the evaluation are lower than the application fees, the difference shall be paid back to the applicant. Please observe that an application has to be made via the European Chemicals Agency (ECHA) and that a fee also has to be paid to ECHA. (ECHA fees see EU (No) 564/2013).
		2. Application by one company	Chapt. 7 Section 2.2 and 2b 2	4 300 000	1 000 000	
	Microorganism	3. Joint application by several companies	Chapt. 7 Section 2.3 and 2b 1	3 000 000	1 200 000	
		4. Application by one company	Chapt. 7 Section 2.4 and 2b 2	2 000 000	1 000 000	
	Chemical Substance	5. Joint application for inclusion in Annex I of (EU) No. 528/2012 by several companies	Chapt. 7 Section 2.5	460 000	Not applicable	
		6. Application for inclusion in Annex I (EU) No. 528/2012 by one company	Chapt. 7 Section 2.6	310 000	Not applicable	
Application for approval of an additional product type for a substance which has been evaluated earlier		7. Joint application by several companies	Chapt. 7 Section 2a.1		1 200 000	
		8. Application by one company	Chapt. 7 Section 2a.2		1 000 000	

Active substances: Chemical or biological (containing microorganisms)						
Category of application	Type of substance	Type of application	Swedish Ordinance 2013:63	Basic fee one product type (SEK)	Every additional product type	Remarks
Administrative handling and evaluation which can follow an approval		9. E.g. submission of confirmatory data according to the approval decision	Chapt. 7 Section 3	1 000 000	Not applicable	Remarks about fees apply respectively, see above.
Sweden is Co-rapporteur for an application for active substance approval or renewal	Chemical substance	10. Joint application by several companies	Chapt. 7 Section 4.1 and 4b 1	2 850 000	600 000	Remarks about fees apply respectively, see above. In addition, the following applies: The fees are maximum fees. They shall be proportional to the sharing of the work-load which has been agreed upon with the Rapporteur Member State, but not higher than the stated amounts. If the assessment only concerns the time after the Rapporteur Member State has submitted their evaluation to ECHA, the fee is 700 000 SEK instead of what is stated under points 10.-13.
		11. Application by one company	Chapt. 7 Section 4.2 and 4b 2	1 900 000	500 000	
	Microorganism	12. Joint application by several companies	Chapt. 7 Section 4.3 and 4b 1	1 500 000	600 000	
		13. Application by one company	Chapt. 7 Section 4.4 and 4b 2	1 000 000	500 000	
Application for approval of an additional product type for a substance which has been evaluated earlier by Sweden as Co-rapporteur		14. Joint application by several companies	Chapt. 7 Section 4a.1		600 000	
		15. Application by one company	Chapter 7 Section 4a.2		500 000	
Application for amendment of conditions for active substance approval, which does not concern an additional product type		16. Amendment (change) of conditions of substance approval	Chapt. 7 Section 5	220 000	Not applicable	Remarks about fees apply respectively, see above.
